Renewed Petition to Revive under 37 CFR 1.137(b)

In response to the Notice of Dismissal of the Petition to Withdraw the Holding of Abandonment, Applicants submit a **Renewed** Petition to Revive the instant application which was unintentionally abandoned. The intention of Applicants at all times was to have the instant case revived and examined and a Petition to Revive was filed May 3, 2004. The entire delay in filing this Petition to Revive was unintentional, as Applicants only became aware after receiving a notice that the granted Petition to Revive was dismissed in June 2005, from the communication mailed June 10, 2005. Applicants submit herewith an amendment and Request for Continued Examination under 37 CFR 1.114. The required fee to revive an unintentionally abandoned application and fee for the Continued Prosecution Application accompanies the petition. Grant of the Petition and issuance of the patent on pending claims is respectfully requested.

The Commissioner is hereby authorized to charge the petition fee of \$1500.00 and fee of \$790.00 for the Request for Continued Examination of Examination, to Deposit Account No. 23-3425. This form is submitted in duplicate.

Respectfully submitted,

Anne Sabourin
